6. Draw a profile of a member of your family.
8. Make a mobile, using your choice of materials.

Family Information Letter

- We will work on the Engineer activity badge at the next meeting. If a family member has experience in electrical wiring, we would appreciate your sharing your knowledge at the next meeting.
- Please help your Webelos Scout complete this requirement at home, and return it at the next meeting:
 2. Draw a floor plan of your home. Include doors, windows, and stairways.
(Refer to the *Webelos Handbook* for help.)

Webelos Scouts who participated in den meetings #9 and #10 should now have earned the Artist activity badge. This should be presented to qualifying Webelos Scouts at the next pack meeting.

Next Up:

- Bring a U.S. flag and the den flag.
- Read the Engineer chapter in the *Webelos Handbook*.
- Prepare permission slips for a visit to a construction site at den meeting #12.
